The ReVersaTM Target System

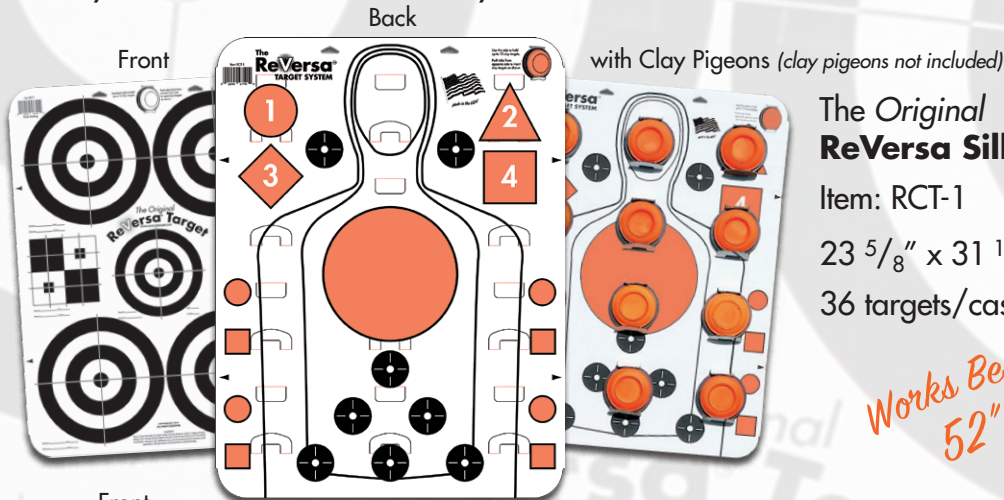

Introducing the **ORIGINAL ReVersa** Target System, the most innovative multi-purpose target system on the market! The **ReVersa** Target offers a multiple target layout on the face, and your choice of either a Silhouette or a Deer Vitals Target on the reverse. The reverse side can also be used to hold up to 12 clay pigeons with the die-cut tabs. Couple this with the easy-to-use and innovative **ReVersa** Target Stands and you're ready for an afternoon of accuracy!

ReVersa Stands are 100% steel and powder-coated with high-visibility "safety orange" paint.

Uniquely designed clips **easily and securely** hold cardboard targets

Triple welded 'h-legs' **WILL NOT BREAK** when stepped into the ground
